

## REMARKS

Upon entry of the present Preliminary Amendment-A the claims in the application are claims 1-6, of which claim 1 is independent.

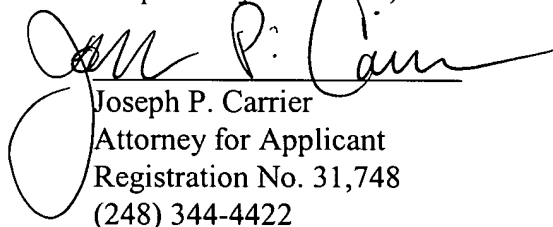

The specification, claims, and abstract are amended to overcome minor informalities therein, while multiple dependencies are eliminated from the claims, and new claims 5-6 are added which present features similar to those in claims 3-4.

Applicant respectfully submits that all of the above amendments are fully supported by the original application. Applicant also respectfully submits that the above amendments do not introduce any new matter into the application.

Favorable consideration is respectfully requested.
